

**ANNE SHIRLEY BLYTHE COMES TO
TOLLKEEPER'S COTTAGE MUSEUM**

“What is it to look back on a life?” asks Anne in the opening line of **THIS IS ANNE ~ Older & Wiser**. Anne Shirley Blythe now in her 60s, delves into her journals and letters to reminisce and reflect on her past – the very difficult moments and those of great joy.

Created, compiled and performed by Maja Bannerman with accompanying music by Rusty McCarthy, this 50 minute performance includes many of the beloved moments from Anne of Green Gables and the subsequent novels in the series by Lucy Maud Montgomery.
