Our speaker this year is WENDY SMITH, winner of the 2014 Heritage Toronto Award of Excellence (Media). Wendy presents: **"Introducing Edward Harbord"**. Edward Harbord, Lord Suffield (1781-1835) was a British Lord, and the forgotten hero of the British anti-slavery movement that led to the emancipation of slaves throughout the British Empire. Harbord Street in Toronto may be named in his honour. Wendy tells his story with energy and compassion.

**Refreshments will be served. RSVP by e-mail or by telephone to 416-515-7546**
